Re: DTE 01-20

Dear Ms. Cottrell:

MCI submits this letter in opposition to Verizon's Motion to Modify the Procedural Schedule for Submitting Revised Compliance Filing, dated June 3, 2003. In its Order on Verizon Massachusetts' Compliance Filing, dated May 29, 2003, the Department addressed a number of issues raised by the parties on the compliance cost studies and tariffs filed by Verizon in February. The changes to Verizon's studies and tariffs required by the Order are few in number and should be relatively straightforward to implement. There is simply no valid reason for additional delay on the part of Verizon. The motion should be denied and Verizon should be directed to produce revised compliance cost studies and tariffs as ordered in the May 29th Order.

Respectfully submitted,

Richard C. Fipphen
